PROPOSED CODE CHANGE (Check One)		
<input checked="" type="checkbox"/> Change to read as follows <input type="checkbox"/> Add to read as follows <input type="checkbox"/> Delete and substitute as follows <input type="checkbox"/> Delete without substitution		
<p>Delete the words “and the installation of on-site water, gas, electrical and sewer systems and connections thereto” from the definition of Manufactured Home Installation.</p>		
REASON AND FISCAL IMPACT		
<p>Reason: These functions fall outside the parameters of the Indiana manufactured home installer licensing program and therefore should not be included within this definition. These items will be more clearly defined in a new definition. This amendment will aid in clarification for both the builder and the local building official.</p> <p>Fiscal Impact: None. The MH Installer Licensing program has been in effect since 2003.</p>
